School Description

Berrendos Middle School, where students are active participants in their education, provides a caring, safe, challenging, and progressive educational experience for all students. Working as a team of parents, educators, and community, our goal is to foster confident, capable, and responsible student citizens who possess an understanding of their potential in a global society.

Berrendos Middle School is located approximately 130 miles north of Sacramento and approximately 3 miles east of the city of Red Bluff. We are the 6th, 7th and 8th grade levels of the Antelope Elementary School District. Berrendos Middle School opened in April of 1969. The enrollment for 2017-2018 was 254 students and 30% are interdistrict.

Campus diversity includes students identified as, African American, Asian, Hispanic, and Native American. Berrendos is designed to meet each child's physical, intellectual, emotional and social needs in a safe and comfortable setting. The school structure is flexible and adaptable. The schools climate, like learning, is a continually changing process, and one that we try to keep evolving using the latest educational theories and research as well as some of the more traditional views of education. Technology is an integral facet of learning at Berrendos Middle School. Students have access to devices in every classroom, where there is a focus on developing 21st century digital learning skills. Berrendos offers band for all grade levels to assist in achieving a well-rounded education.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The Antelope School District sets a high priority on providing sufficient textbooks to support each school's instructional program. Adoptions are conducted on a six to eight year cycle by subject, in an effort to ensure textbooks are always current. All adopted textbooks and instructional material programs meet state standards and have been adopted by the State Board of Education and the Antelope School District governing board. The availability of sufficient state-adopted and standards-aligned textbooks for each pupil, including English learners, for use in class and to take home are consistent with the content and cycles of the curriculum frameworks adopted by the California State Board of Education in all core curriculum areas.

Textbooks and Instructional Materials Year and month in which data were collected: August, 2017

School Facility Conditions and Planned Improvements (Most Recent Year)

Berrendos Middle School has 11 classrooms, a multipurpose room/cafeteria, a library, a band facility and a full size gymnasium with locker rooms. We continually work on keeping Berrendos School a clean, safe and well-kept campus. Periodic inspections are done by outside agencies and by designated individuals within the district. We have a deferred maintenance fund to keep the buildings and grounds in good repair. Fire drills are held on a regular basis and bus safety is an on-going priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	63.0	59.0	55.0	57.0	48.0	50.0
Math	46.0	48.0	46.0	46.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
7	25.0	34.1	13.6

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)

Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Site Council, the LCAP committee, and the District Leadership Team offer opportunities for parent and community stakeholders to advise and provide input to district administration. Antelope School District has a very active Booster Club which supports both sites. The group welcomes new members throughout the year. Parents are encouraged to get involved. The Antelope/Berrendos Booster Club raises money each year to enrich the educational programs at both schools.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Berrendos School has a comprehensive school safety plan. The scope of our plan for safety, discipline and drug prevention is broad. We all share the responsibility of guaranteeing the safety of our students and for maintaining an environment free of drugs and violence. A priority is placed on annual safety training of faculty and staff; including a review of procedures and consultation with law enforcement and other outside agencies. Additionally, the plan is designed to effect school culture beyond the physical safety for the students and staff, and to include the emotional and social safety of all stakeholders.

Suspensions and Expulsions			
School	2015-16	2016-17	2017-18
Suspensions Rate	1.8	8.1	3.7

Social Science	23.0	23.0	24.0	2	1	1	5	6	6			

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Antelope School District's academic calendar includes one full day and 32 minimum days (early release Mondays) that are dedicated to staff development. The one full day is placed at the start of the academic school year, while the minimum days occur throughout the year. In addition, teachers at all school sites received a minimum of two days of release time to meet with grade level teams. Professional Learning Communities (PLCs) are at the heart of all staff development, ensuring a deeper implementation of effective instructional strategies, driven by student achievement data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

The programs and supplemental services align with the priorities and goals identified in our Local Control Accountability Plan. Academic intervention is offered in language arts and mathematics to students needing additional support.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
